If you choose to self-exclude from our lotteries and raffles, we will not target you with marketing materials at any time during the 6 month self-exclusion period and until you tell us that you wish to receive communications. We will take steps to remove your name and details from our marketing database.

The Brain Tumour Charity uses an External Lottery Manager (ELM) to run our lottery and raffle. Our ELM Sterling will close any membership of an individual who has entered a self-exclusion agreement and return any funds held in your name.

I confirm I have read The Brain Tumour Charity's self-exclusion information and understood the consequences of self-exclusion.

Please send this form to our Supporter Care Team, Fleet 27, Rye Close, Fleet, Hampshire, GU51 2UH, or email it to weeklylottery@thebraintumourcharity.org.
