Brain tumours in the UK: the facts

- Brain tumours are the biggest cancer killer of children and adults under 40
- Over 9,365 people are diagnosed with a primary brain tumour each year
- 500 children and teenagers are diagnosed with a brain tumour each year

The Brain Tumour Charity is at the forefront of the fight to defeat brain tumours and is the only national charity making a difference every day to the lives of people with a brain tumour and their families.
